

Innovate and Unlock Staff Creativity

'Innovation distinguishes between a leader and a follower' - Steve Jobs

Overview

This engaging workshop is designed for managers or aspiring managers who want to lead or influence teams and individuals to be more innovative and creative in the workplace.

Innovation is a critical skill for the future.¹ Business need innovation to stay competitive in an increasingly difficult world market. The Public Service need innovation and creativity in policy development to face the complex social policy needs of the future.

Benefits

This program will provide you with a set of skills to lead and support innovation in your workplace, potentially leading to improved work practises, new products and services, and creative approaches to meeting key challenges and barriers.

What you will learn

By attending this workshop you will learn to:

- create an ideas culture
- stimulate innovation in the workplace
- enhance team efficiency and effectiveness
- develop a practical, workable understanding of innovation
- explore and apply a range of strategies to generate new ideas
- apply tools and techniques to help make innovation happen in your team.

CPD points for real estate people

On successful completion of this workshop, real estate participants will achieve 8 of the required 12 points of professional development to meet the ACT Office of Regulatory Services (ORS) conditions for the renewal of a licence or certificate of registration.
